

Chest Adobe Linked VIP Framework Agreement

UK Higher and Further Education

The Chest Adobe Linked VIP Agreement (hereafter “Agreement”) is a framework that consolidates the purchases of all its members to achieve the highest levels of discount available under Adobe’s Educational VIP scheme. Currently, there are four levels of discount based on the following volumes of licence purchase:

Banding	Licence Quantity	Additional discount above Tier 1
Level 1	1 – 9	N/A
Level 2	10 – 49	12%
Level 3	50 – 99	18%
Level 4	100	40%

How does the Agreement work?

The Agreement enjoys Tier 4 pricing. On May 7th each year, it will be re-levelled based on the previous year’s spend. If there is any change, we will notify you.

How much does the Agreement cost to join?

The annual fee is £0, it’s not currently our intention to change this but it may be reviewed in September of 2021.

Can I leave the Agreement?

You may leave the Agreement at any point but you will immediately revert back to the discount level based on your Institution’s own purchases. If you leave the Agreement, there will be no opportunity to re-join for one calendar year.

Does my VIP Anniversary Date change?

No, your anniversary date remains unchanged, as do your current agreement number(s).

Will other Institutions be able to view my purchases via the admin console?

No.

Can I still purchase the licences from my existing reseller?

All the resellers in the Adobe lot of the National HE/FE Software Licensing Reseller Contract let by SUPC are being offered the option to supply under this Agreement. Our website will provide details of those that have accepted this option.
